**What can we Rotarians do** to make the world a more peaceful place?

The Rotary Peace Project Incubator (RPPI) offers you tools to contribute to a more peaceful world.

### How can I participate ?

- Participate in the finalisation of the various peace projects by attending the webinars organized between July and October 2020 by the Rotary Peace Fellowship Alumni Association Europe.
- Attend the Rotary Peace Project Incubator Day on 2<sup>nd</sup> November 2020 in Geneva, Switzerland, during which the final project proposals are presented. Register **now for the Incubator** through this link: <https://bit.ly/2VdXAB9>

This special event takes place concurring with the Geneva Peace Week, held on 2-6 November 2020.

## FIRST ROTARY PEACE PROJECTS INCUBATOR

*The First Rotary Peace Projects Incubator seeks to develop peace projects that are tailored to address urgent community needs.*

### What is the Peace Project Incubator ?

Over the past months, Rotary Peace Fellow Alumni, Rotarians, Rotaractors, together with international experts and organisations, have developed peace project ideas that can be proposed to **Rotary Clubs and Districts around the world** for implementation. Themes and project ideas can be found here: <https://rppi.ch/workshops-2/>
